## Leanyer School's 40th Birthday Anniversary

Celebrating 40 Years of Excellence: Reflecting on the Past, Embracing the Present, and Envisioning the Future

Welcome to our Leanyer Parents, Staff, Students (past, present, and future and Distinguished Guests

Today, we gather here at Leanyer School to commemorate a momentous occasion - our 40th Birthday Anniversary! With immense pride and gratitude, we take this opportunity to look back on the remarkable journey that has shaped our school into the outstanding institution it is today.

 The Past 

Founded in 1983 – 15 September 1983 to be precise, Leanyer School began its journey with a vision to provide exceptional education to the young minds of our community. In those early days, the school was a modest building with a handful of passionate educators and eager students. Throughout the years, the school flourished, thanks to the unwavering dedication of our founders, staff, and the continuous support of parents and the broader community.

As the years rolled by, Leanyer School became renowned for its commitment to academic excellence, fostering a nurturing environment, and empowering students to become confident, compassionate, and responsible individuals. Countless memories were made, friendships were formed, and generations of learners passed through our amazing classrooms, each contributing to the rich tapestry of our school's history.

### The Present

Today, we stand proudly as a leading educational institution, nurturing students from more than 60 nationalities and approximately 65% of our students speak English as a Second Language. The rich diversity that we live and breathe with such pride is preparing our students for a rapidly changing world and encouraging them to strive for their highest potential. Our state-of-the-art facilities, dedicated educators, and a supportive community continue to be the backbone of our success.

A huge thank you to the Leanyer School Board who have been pivotal in strategically focusing funds to ensure the facilities are continually being improved. We look forward to our next infrastructure upgrade coming in 2024.

Over the past years, our students have achieved remarkable feats in academic pursuits, sports, arts, and community service. They have shown resilience and adaptability, facing challenges head-on and emerging as bright and capable young individuals, ready to take on the world.

As we celebrate our 40th anniversary, let us recognise the contributions of our exceptional teachers and staff, whose passion and commitment have shaped the lives of countless students. Moreover, we extend our deepest gratitude to the parents and

guardians who have entrusted us with their children's education and partnered with us in their growth and development.

### ✨ The Future ✨

Looking ahead, we are filled with excitement and anticipation for the future of Leanyer School. Building upon our strong foundation, we are committed to fostering a learning environment that embraces innovation, encourages creativity, and promotes inclusivity. We will continue to adapt to the evolving educational landscape, equipping our students with the skills and knowledge they need to thrive in the 21st century.

Our goal is not only to produce academically successful students but also compassionate global citizens who understand the importance of community, empathy, and environmental sustainability. We envision a future where our graduates become leaders, change-makers, and trailblazers in their chosen fields, making a positive impact on society and the world at large.

As we embark on the next chapter of our journey, we invite all stakeholders, past, present, and future, to join hands with us. Together, let us create a legacy that will continue to shine brightly for generations to come.

🎈 Happy 40th Birthday, Leanyer School! 🎈

Thank you for being an integral part of our success story.
